+6287824317618 | meliniasr14@gmail.com | <https://www.linkedin.com/in/meliniasuciramadhani> | <https://meliniasuciramadhani.github.io>
Bogor, Indonesia.

I am graduated from the Informatics Engineering Department taking the Software Engineering study program at Ibnu Khaldun University, Bogor. I have experience building a website project using the PHP Framework (CodeIgniter) programming language, working on college internship projects and college final projects. With the soft skills I have, I am able to adapt, communicate, work individually and in teams and apply new technology.

Education
